SEATING PLAN

All of Wilcox World Travel & Tour's Passion Play arrangements include admission ticket / seating in Section 1,

which includes an excellent view to the stage. The acoustics in the whole Passion Play theatre is excellent. Altogether there are 4.720 seats in the Passion Play theatre.

Each of our groups stay at the Turmwirt Hotel in Oberammergau, Germany (within walking distance of the Passion Play theater). Remember, when looking for tickets, be sure to look for hotels within walking distance of the Theater. There are several packages where the hotels used are over 2 hours away from the town. This causes a big problem with the new schedule of the play, as the play will be ending around 11pm. We will also have a Wilcox Travel Representative on site throughout our performance dates to assist with any needs that may arise.
